## Become an Online Giving Program Member

The Presbyterian Foundation's Online Giving Program offers a simple and easy way to raise and manage funds for your mission or ministry. It provides congregations with flexible online giving solutions through a trusted partner able to professionally administer and safeguard the funds you raise.

The Presbyterian Foundation uses the Vanco Payment Solutions platform. Vanco Payment Solutions is an industry leader in providing churches, secure, simple, and specialized payment and giving solutions. Vanco's standards meet Payment Card Industry (PCI) data security standards for handling, storage, and transmitting credit card information.

The Online Giving Program offers your ministry a suite of electronic giving options and funds management services. The program will connect donors to mission and facilitate easy online donations to Presbyterian congregations and ministries. Gifts from your members or supporters are made to the Foundation for the benefit of your church or ministry. The funds are disbursed automatically monthly, and are also made available at your request. The platform makes online giving easy and available to any Presbyterian church or related ministry.

# Getting Started

There is no startup fee or minimum balance required to set up a fund. Members have the option to open single or multiple funds now and open additional funds later. Benefits of joining the Online Giving Program include:

- **Cost** – setup is free, no monthly/annual costs, transaction fee is 2%.
- **Donation forms** – customizable, mobile responsive form provided upfront.
- **Contributions** – Minimum contribution is \$1 for gifts made online and \$3 for gifts made via the Give+ app
- **Donor portal** – donors can log in, view payment history, edit their recurring gifts and payment information.
- **Administrative portal** – provides a variety of useful reports, can export donor/gift info to upload to your accounting system.
- **Every donation** received for your fund will receive an automatic acknowledgment email to the donor from the Foundation. There is no need for your organization to provide a gift acknowledgment to the donor. The Foundation will also provide a year-end gift summary to donors for tax reporting.
- **Gifts** – are irrevocable charitable gifts to the Foundation, use restricted to your organization for the purposes you establish.
- **Investments** – balance invested in money market vehicle, earns interest throughout month.

- **Disbursements** – At month-end, the church will receive a direct deposit for the total of gifts made that month minus the 2% transaction fee. Intra-month disbursement requests require a minimum of \$100 per fund.
- **Distributions of funds** must be in keeping with the purposes you establish for your fund and will be delivered by direct deposit.
- **Submit your application** – within 10 business days a representative will send you a donation link (via email) along with a button image and your fund administrator's login information (We recommend more than one fund administrator be appointed). Once the donation link is added to your church's website, you are ready to begin promoting your fund.
