

Shared Faith

Endowments demonstrate the power of shared faith and a communal affirmation of good stewardship of God's gifts. Have you considered sharing your faith with an offering for endowment?

Your offering affirms your shared vision of God's love and redemptive plan and your participation in it. Consider endowment offerings an increase of personal stewardship, a revitalization of personal faith, a synergy of Christian witness. Support the endowment and realize the joy and peace of knowing shared faith and the love of God will be demonstrated for generations to come.

Your Presbyterian Foundation Ministry Relations Officer can help you with gift options open to you to support the endowment. Contact [insert name and phone number] to learn more.
