You will be enriched in every way for your great generosity, which will produce thanksgiving to God. – 2 Corinthians 9:11

Welcome

Thank you for your interest and generosity in establishing a Donor-Advised Fund with the Presbyterian Foundation. This Program Guide describes and explains the guidelines and policies established by the Foundation for the Donor-Advised Fund program.

ABOUT THE FOUNDATION

Since 1799, the Foundation has been called upon to be a steward of the gifts that have been given to do God's work through the Presbyterian Church (U.S.A.). This history is not a testament to the longevity of the Foundation; rather, it is a witness to the generosity and foresight of Presbyterians everywhere.

The Presbyterian Foundation shares your values, and we have been putting those values to work for over 200 years, enabling

Presbyterians to express their faith through their generosity. Throughout its history, the Foundation has encouraged giving for the benefit of others in the example of our Lord and in responsible stewardship of all God's gifts.

The Presbyterian Foundation is a Pennsylvania non-profit corporation and is recognized by the Internal Revenue Service as a tax-exempt public charity as defined in Sections 501(c)(3), 509(a)(1) and 170(b)(1)(A)(vi) of the Internal Revenue Code and is eligible to receive tax-deductible charitable contributions under IRC Section 170(c). Contributions to the Presbyterian Foundation are irrevocable and nonrefundable and to the extent allowed by applicable federal and state law, are immediately deductible by the donor as a charitable contribution.

Establishing Your Donor-Advised Fund

To establish your Donor-Advised Fund (“Fund”), complete an application and submit with your irrevocable gift to the Presbyterian Foundation. A Fund can be established by individuals, corporations and other business entities, trusts, and estates. If a Fund is established by a trust or estate, an individual must be named as the Primary Advisor. The application can be downloaded at **presbyterianfoundation.org**. Mail, fax, or email the completed application to the address listed on the form.

The Donor-Advised Fund is subject to the Articles of Incorporation of the Presbyterian Foundation as well as the Administrative Plan. The Foundation reserves the right to modify its Articles of Incorporation, the terms of the Administrative Plan, or the Program Guide at any time. The sole owner of the Fund is the Foundation, and its Board of Trustees has ultimate control over all investments and grants of the Fund.

Key consideration: Tax laws require that a donor’s charitable gifts be irrevocable and unconditional in order to receive the associated tax benefits of a charitable deduction. The Presbyterian Foundation will allow the Primary Advisor to recommend (advise), but not control, how assets in a donor-advised fund are invested and distributed, with all such recommendations being subject to the approval of the Presbyterian Foundation. The Presbyterian Foundation at its sole discretion may approve grants to qualified organizations.

ASSETS TO ESTABLISH A FUND

You may open your Donor-Advised Fund with a check, credit/debit card, electronic funds transfer, wire transfer, marketable securities, or nontraditional assets. The minimum to open an account is \$2,500. All gifts will be reviewed by the Foundation prior to acceptance. Once the gift is accepted and received by the Foundation, a written receipt will be sent to the donor(s) making the gift.

- Checks should be made payable to the Presbyterian Foundation and mailed with the fund application to the address on the form.
- For publicly traded securities, please visit **presbyterianfoundation.org** for security transfer instructions or contact the Foundation at **800-858-6127, extension 5919**.
- For other nontraditional assets, such as real estate, artwork, or business interests, please contact the Foundation at **800-858-6127, ext 5957** to discuss.
- Gifts may also be given by the Fund being named as a beneficiary in a will or other testamentary instrument or as a beneficiary to other non-probate property, including but not limited to: an Individual Retirement Account (IRA); charitable remainder trust; or life insurance policy. For further info call **800-858-6127, ext 5957**.
- Review Donor-Advised Fund fee information. *Please see Appendix A.*

NAMING YOUR FUND

The Primary Advisor(s) provides the name of the Fund such as the “John Smith Family Fund.” The Fund name and the Primary Advisor will appear on all Fund correspondence. When grants are made from the Fund, you may select the grant to be acknowledged to the charity anonymously. Your preference can vary for each grant recommendation.

ADVISORS TO YOUR FUND

Once the Fund is established, the donor will be considered the Primary Advisor and will receive all correspondence related to the Fund activities. If you establish a Fund jointly with your spouse or another individual, you will both be Primary Advisors. The Primary Advisor(s) have complete account privileges: making additional contributions to the Fund, recommending grants and investment allocations, naming Grant Advisors, and establishing a succession plan.

The Primary Advisor(s) may name other individuals (up to two persons) to be Grant Advisors, for example, involving other family members. Grant Advisors can make grant recommendations and are eligible for online account access. Your Financial Advisor may also be permitted access to your account. Giving this permission provides the Financial Advisor with the ability to make investment allocation recommendations and view statements online. Instructions to add Financial Advisors are located on the application.

SUCCESSION PLAN

You may wish to provide the Foundation with a “succession plan” for your Donor-Advised Fund in the event of your death or incapacity. You may select one of two options for the remaining assets in the Fund:

EITHER:

- a.)** you can name successor advisor(s) to succeed you as the Primary Advisor on the Fund when your capacity ends, OR
- b.)** you can elect to distribute the balance of your Fund to as many as five different ministries or charities.

This information can be changed by any Primary Advisor at any time. Such elections and recommendations cannot be made through any testamentary instrument, including wills or instructions to an executor, and Primary Advisors may not name their estate as a successor. If no option is chosen, your Fund will be distributed to the Presbyterian Church (U.S.A.) for its use.

The Foundation recommends that Primary Advisors review the successor information provided to the Foundation once a year. This review will ensure that the information remains consistent with your wishes and verifies that the successor contact information is current.

Investment of Fund Assets

A variety of professionally managed mutual funds are available for donor-advised fund assets. All investments of the Presbyterian Foundation have been approved by the Investment Committee of the Presbyterian Foundation. *Please see Appendix B for a listing of all investment options currently available.*

INVESTMENT OF FUNDS

The investment of the Fund will be at the complete discretion of the Presbyterian Foundation and may be commingled with the Foundation’s other assets. Invested balances are priced daily. Changes in market value may cause the value of the investments to be worth more or less than the value of the original gift. All dividends and capital gains are reinvested in a money market vehicle.

INVESTMENT ALLOCATION

At the time the Fund is established, the Primary Advisor(s) of each donor-advised fund may recommend that the assets of the Fund be invested in one or a combination of selected mutual funds and at what percentages if investing in a combination. All investment recommendations will be reviewed and approved by the Foundation. If no investment recommendation is made, the assets will be invested in a money market vehicle.

After the investment recommendation is approved and contributions are in a liquid or transferable form, they will be invested in the recommended mutual fund(s). This should occur within 10 business days after a contribution is received by the Presbyterian Foundation.

After the Fund is established, the Primary Advisor (or Financial Advisor, if named) may submit a recommendation to change the investment allocations at any time through the Donor Dashboard, by submitting such request in writing, or online to the Presbyterian Foundation.

Fund Additions

Additions to the Fund are accepted at any time from the Primary Advisor(s) or others. There is no minimum amount for fund additions, and they can be made by check, credit/debit card, electronic funds transfer, wire transfer, marketable securities, or nontraditional assets. The fund addition form can also be downloaded from the Foundation's website and mailed, faxed, or emailed to the Foundation, or additions can be made online through the Foundation's Donor Dashboard.

Grant Recommendations

The Primary Advisor(s) may make grant recommendations at any time through the Donor Dashboard. The grant recommendation form can also be downloaded from the Foundation's website and mailed, faxed, or emailed to the Foundation.

All grant recommendations shall be advisory only and shall be in no way binding upon the Foundation. A group of officers and employees of the Presbyterian Foundation have been appointed to perform or supervise the due diligence review of each recommended grant and distribution. Upon receipt of a recommendation, the Presbyterian Foundation will complete a due diligence review process. The Primary Advisor will be notified in the event that a grant recommendation is not approved, and an alternative recommendation may be provided by the Primary Advisor.

GRANT PURPOSES

Grant recommendations may be submitted for distribution to any 501(c)(3) eligible charity. Primary Advisors may include in a recommendation that the grant be used by the qualified charitable organization for a specific purpose or project such as medical work or a building fund. The purpose will be included in the review of the grant recommendation, and will be conveyed to the qualified charitable organization. The Presbyterian Foundation will not approve a grant if the grant would, in whole or in part, be used for an ineligible purpose, including, but not limited to, the following:

- payment for dues
- purchase of tickets to a benefit
- purchase of goods at a charitable auction or membership fees
- lobbying, political contributions, or political campaigns to satisfy a legally enforceable obligation

- legally binding personal pledge that has been made by a Primary Advisor
- any organization or individual related to a Primary Advisor
- any organization or charity which is deemed in conflict with the mission of the Presbyterian Church (U.S.A.).

In any event, the Presbyterian Foundation reserves the right, in the exercise of its sole and absolute discretion, to approve or disapprove any recommendations for grants.

GRANTS WITH BENEFIT(S) TO THE PRIMARY ADVISOR

Primary Advisors should be aware that the Pension Protection Act of 2006 subjects a Primary Advisor or a Primary Advisor-related person to a 125 percent excise tax if the advice to the Presbyterian Foundation to make a distribution results in the Advisor's "receiving, directly or indirectly, a more than incidental benefit as a result of such distribution." The 125 percent is applied to the value of the benefit. Primary Advisor should consider the risk of the 125 percent excise tax and seek legal counsel as deemed appropriate.

GRANT AMOUNTS

Each grant recommendation must be made for an amount of \$100 or greater, or for the remaining balance of the Fund, whichever is less. All recommended amounts must be whole dollar amounts unless the recommendation is for the balance of the Fund.

If the Fund is inactive for ten (10) calendar years or the total grants distributed within that time period are less than \$200, correspondence will be sent within the first quarter of the 11th calendar year to Primary Advisor(s) and Grant Advisor(s) requesting that one or more grant recommendations totaling at least \$200 be submitted. If there are no grant recommendations submitted by September 30 of the 11th year, the Foundation will distribute the entire Fund balance to the successor charitable beneficiary if one has been named by the Primary Advisor. If no successor charitable beneficiary is named, the Fund will be distributed to the Presbyterian Church (U.S.A.) for its uses.

PROCESSING THE GRANT

Grant recommendations will be reviewed by the Foundation within five business days of receipt of the recommendation. The Foundation will make the grant generally within 10 business days. If a grant recommendation is for a charity that has not been previously reviewed and verified by the Foundation as a qualified charitable organization, a longer review time may be needed to complete additional due diligence. Once approved, the grant amount will be liquidated from investments held and disbursed to the grant recipient.

DISTRIBUTING AND ACKNOWLEDGING THE GRANT

The distribution of the grant to the charity is made by the Presbyterian Foundation and is accompanied by a letter identifying the intended purpose for the grant, the donor-advised fund that made the gift, at whose recommendation

the grant is being sent, and the Primary Advisor's address so that the charity can extend its thanks for the grant. When making a grant recommendation, a Primary Advisor may choose to remain anonymous, and the fund name, Advisor name, and advisor address will be excluded from the acknowledgment letter. Additionally, you may have the acknowledgment be *In honor of*, *In memory of*, *In the name of*, or *In gratitude to* someone you wish to name.

A Primary Advisor may not act as an intermediary for delivery of the Fund distribution to the charitable beneficiary when a grant is made unless specifically approved to do so by the Foundation.

Online Donor Dashboard

You may manage all aspects of your donor-advised fund through the online Donor Dashboard:

- Open an account
- Make fund additions
- Make grant recommendations
- Manage investment allocations
- View quarterly statements and review prior activity
- Print statements for tax purposes

Visit **presbyterianfoundation.org/daf** to access the Donor Dashboard.

Tax Considerations

Each Primary Advisor who opens a donor-advised fund, with the expectation of receiving the benefit of deductions for purposes of state and federal income taxes, does so with the understanding that neither the Presbyterian Foundation, nor any of its directors, officers, employees, agents or representatives, are engaged in (a) providing legal advice, accounting advice or tax advice, or (b) rendering legal opinions or tax opinions, or (c) other professional service. The Presbyterian Foundation recommends that each person planning to make a charitable contribution to the Presbyterian Foundation, or any other tax-exempt organization, seek legal, accounting, or tax advice, and/or other expert assistance from experienced and competent advisors, prior to making any such contribution.

Reporting and Receipts

The Primary Advisor will have access to fund information online at any time, including fund balances, investment allocations, and transactions (grants/addition histories and year-to-date totals of fees and income received). Any other financial reports or information required by law will also be provided. Any discrepancy must be reported to the Foundation within 60 days of receipt.

Disclosures

The minimum annual grants from the combined total assets of each donor-advised fund held by the Presbyterian Foundation must be greater than 5 percent of the total combined donor-advised fund's average net assets. If this requirement is not met, correspondence will be sent to Primary Advisors of all donor-advised funds who have not made a grant recommendation in the last 12 months, requesting grant recommendations. If grant recommendations are not made within ninety (90) days, the Foundation will distribute the required amount from these funds to the successor charitable beneficiary named by the Primary Advisor. If no successor charitable beneficiary has been named, the distribution will go to the Presbyterian Church (U.S.A.) for its use.

Appendix A: Fees

The all-in fee of a donor advised fund at the Presbyterian Foundation consists of two components: an administrative fee and an investment fee. Much effort is made to keep these fees reasonable and competitive with similar organizations because we know that lower fees means more funds available to support the missions and ministries that our donors love to support.

ADMINISTRATIVE FEE

The administrative fee covers the basic costs of operating a donor advised fund, including such items as systems, staff, processing and other basic operating costs. The fee operates on a percentage based tier model. A annual fee of 0.90% is applied to balances up to \$500,000. Any amounts over \$500,000 are subject to an annual fee of 0.75%. Fees are processed on a monthly basis as applied to the prior month's closing value.

| ADMINISTRATIVE FEE EXAMPLE | |
|----------------------------------|----------|
| Account Balance | \$10,000 |
| 0.90% fee on the first \$500,000 | \$90 |
| 0.75% on amount over \$500,000 | \$0 |
| <hr/> | |
| Total annual administrative fee | \$90 |

INVESTMENT FEE

The Presbyterian Foundation offers a variety of mutual funds within its donor advised fund platform, from index style funds to socially responsible investments that adhere to Presbyterian values and beliefs. These mutual funds have internal operating expenses that reduce the net asset value of the mutual fund. Internal operating expenses of mutual funds vary by mutual fund and the operating expenses are disclosed in the mutual fund's prospectus. Information regarding current investment options can be found on the Presbyterian Foundation's website.

Appendix B: Investment Options

Assets in a Donor-Advised Fund may be invested in one or more of the mutual funds listed below. All allocations should be made in 5 percent increments. The Fund will be invested in a Money Market if an investment recommendation is not made.
