

The Presbyterian Foundation believes it is important to resource pastoral leaders and the congregations that they serve to promote vitality and excellence in ministry. The Foundation continues to better equip pastors facing economic challenges with the next round of Church Technology Grants.

Pastors and New Worshiping Community leaders with the greatest need serving congregations of color, small churches, new immigrant congregations, and congregations in economically challenged locales are invited to apply.

Those who received grant funds during the previous Technology Grant cycles are asked not to apply.

Grants will be paid to your PC(USA) congregation or presbytery for distribution to the pastor applying. **Applications will be accepted from May 20 to July 13, 2026. Applications will be reviewed after the closing date. You will be notified with a grant decision via email on August 17, 2026. We anticipate more applicants than available grants.**
