

# SUPPORT FOR YOUR MINISTRY

Presbyterian Foundation  
Technology Grants

**Presbyterian Church (U.S.A.) pastors and leaders of New Worshiping Communities are encouraged to apply for funds to assist with technology needs.**

The Presbyterian Foundation believes it is important to resource pastoral leaders and the congregations that they serve to promote vitality and excellence in ministry. The Foundation continues to better equip pastors facing economic challenges with the next round of Church Technology Grants. These funds can be extremely useful for congregations to grow their reach and ministry.

Applications will be accepted for Church Technology Grants from May 20 through July 13, 2026 and **will be awarded up to \$5,000**. Funds are available for those pastoral leaders seeking to enhance their ministry in a variety of ways:

- Upgrade existing technology or purchase new technology
- Create or upgrade church website

- Online Training

### Who Should Apply

Pastors and New Worshiping Community leaders with the greatest need serving congregations of color, small churches, new immigrant congregations, and congregations in economically challenged locales are invited to apply. Grants will be given to churches or presbyteries for release to the pastor for direct purchase or reimbursement for technology purchases and training.

**To allow us to assist as many congregations as possible, we ask those who received a grant during the previous Church Technology Grant cycles, please don't apply again.**

The application process will be open from May 20 through July 13, 2026. Applications will be reviewed after the closing date. We anticipate more applicants than available grants. Applications are available at [presbyterianfoundation.org/tech-grant](https://presbyterianfoundation.org/tech-grant).

## Apply for Church Technology Grants

Visit [presbyterianfoundation.org/tech-grant](https://presbyterianfoundation.org/tech-grant) to apply.
